

## **2018 Review of UK Parliament Constituencies Draft Final Report**

### **Action required**

1. The Commission is invited to comment on a draft Final Report for the 2018 Review, and provide comment on the structure of the Report.

### **Background**

2. The draft Report is based on the template used for the 6<sup>th</sup> Review of UK Parliament Constituencies which was not completed.
3. Detailed content will be added to the Report once the final recommendations have been agreed.
4. Sample constituency map designs have been included at the end of the Report for consideration.
5. The Commission must submit its final recommendations in a report to the Secretary of State for Scotland in September 2018. The Secretary of State is responsible for laying the report before the UK Parliament.

### **Recommendation**

6. The Commission is invited to
  - suggest any changes or additions to the Report structure; and
  - agree a preferred map design.
