

2023 Review – Lessons Learned

Action required

1. The Commission discussed the Lesson Learned action list at its February meeting. For those actions that are scheduled to be carried out in 2025/26, it was agreed that a specific timeframe should be added to the actions list.
2. Attached at Appendix A is the action plan which provides further details about actions that will be completed during 2025/2026.
3. The Commission is asked to note the attached action list and provide comments.
