- UK Parliament constituencies are being reduced from 650 to 600.
- A constituency must be no larger than 13,000 km.
- Constituencies must have between 71,031 - 78,507 electors, unless they are larger than 12,000 km when they can have fewer electors.
- 2 Scottish island constituencies are set as Na h-Eileanan an Iar and Orkney and Shetland.
- Scotland will have 53 in place of the current 59 constituencies.
