1. We, the Boundary Commission for Scotland, constituted in accordance with the Parliamentary Constituencies Act 1986 for the purpose of the continuous review of the distribution of seats at parliamentary elections in Scotland, submit this report under the provisions of section 3(3) of the Act, showing our recommendations with respect to the areas comprised in the following constituencies:

- 1.1 the county constituencies of Cunninghame North and Eastwood and the burgh constituency of Glasgow Cathcart;
- 1.2 the county constituency of East Kilbride and the burgh constituency of Glasgow Rutherglen;
- 1.3 the burgh constituency of Glasgow Springburn and the county constituency of Strathkelvin and Bearsden;

- 1.9 the burgh constituency of Motherwell North and the county constituency of Linlithgow;
- 1.10 the burgh constituency of Edinburgh East and the county constituencies of East Lothian and Midlothian.

2. Notice of our intention to consider making a report with respect to the first 6 groups of constituencies was submitted to you on 8 February 1990 and was published in the Edinburgh Gazette on 16 February 1990. The enumeration date for the review of the first 6 groups of constituencies is therefore 16 February 1990. We also issued our provisional recommendations on that date and, as required by the 1986 Act, we published the recommendations in at least one newspaper circulating in each of the areas affected, inviting any persons who wished to do so to make representations to us about our proposals within the statutory period of one month. Copies of the recommendations, with illustrative maps, were made available for public inspection at local authority offices within each constituency affected. We are grateful to the local authorities and their officers for their co-operation in these arrangements. In addition, copies of the recommendations and maps were sent to the political parties in Scotland represented in the House of Commons and to the Members of Parliament for the constituencies affected, and copies were deposited in the Library of the House of Commons for inspection there.

3. We subsequently gave you notice on 4 April 1990 of our intention to consider making a report with respect to the last 4 groups of constituencies. That notice was published in the Edinburgh Gazette on 20 April 1990 which thus became the enumeration date for that part of the review. We issued our provisional recommendations for those constituencies on 27 April 1990 and followed the same procedure with respect to them as we had adopted for the earlier part of the review.

4. In each case our intention was that the constituency boundary should be altered to conform with the new regional and/or district boundary. The considerations which led to our proposals are set out below. Mr Allen Stewart MP (Member for Eastwood) informed the Commission that he did not dissent from our proposals. The Moray and West Banff Conservative and Unionist Association indicated that it had no comment to make. The Chief Solicitor for the City of Glasgow District Council intimated that the General Purposes Committee of the Council had noted the proposals. No other representations were received.
